ADMISSION ARRANGEMENTS: REACH SOUTH MULTI ACADEMY TRUST

The Trust Board of the Reach South Multi Academy Trust is the Admission Authority for Millbay Academy. The Admission Authority will comply with provisions within the School Admissions Code and the School Appeals Code available at www.gov.uk/government/publications/school-admissions-code-2.

The admission arrangements outlined within this document apply to admissions in the 2026/2027 academic year.

The school is fully inclusive and welcomes applications for the admission of children with special educational needs and disabilities (SEND) and other protected characteristics defined by the Equality Act 2010. The school's admission arrangements are determined and implemented within the Equality Act Duty.

SECTION 1

(i) Application process for Year 7 secondary admissions (normal point of entry)

For children starting Year 7 for the first time in 2026/2027 the published admission number (PAN) for this year group is 120. The closing date for applications is 31 October 2025. Allocation results will be notified on 2 March 2026. Millbay Academy participates in Plymouth City Council's coordinated secondary admissions scheme available at www.plymouth.gov.uk/schooladmissions www.plymouth.gov.uk/schooladmissions. Late applications (i.e. applications received before the first day of term in September, but not made in time to enable the Local Authority to offer a place on National Offer Day) will be processed by the Local Authority after all on-time applications have been processed, which will unfortunately reduce the chances of the child being offered a place. Parents are therefore strongly advised to submit their applications on-time.

All applicants must:

- (i) Complete the Common Application Form available from, and returnable to, their home Local Authority;
- (ii) In addition, applicants applying under oversubscription criteria 3 must complete the staff supplementary information form which is available on page 10 & 11 of this policy and return it direct to the School Admissions Team, Plymouth City Council.

(ii) In-Year admissions (admissions outside the normal point of entry)

The admission arrangements outlined within this section apply to in-year admissions during the 2026/2027 academic year.

An In-Year admission is an application submitted on or after the first day of the school year for the intake year, or any other year group at any time. Requests for admission to Year 7 made after the normal round of admissions – after 31 August 2026 – and requests for places in other year groups should be made direct to Plymouth City Council.

Parents should be aware that the PAN set for Year 7 applies only for the duration of the school year of entry (i.e. to applications both in and outside the normal admission round to Reception and Year 7 only). Such applications may be refused where there are no places remaining within the PAN set for that intake.

If an application is made for admission to a year group other than Year 7, the child must be admitted to the school, unless admitting the child would prejudice the efficient provision of education and / or use of resources.

Where there are multiple applicants for a year group other than Year 7 and the school has determined that only a lower number of additional children can be admitted without prejudicing the efficient provision of education, and/or the efficient use of resources, the oversubscription criteria must be applied to determine which of the children are offered a place. The admission arrangements that will apply will be those determined for Year 7 that school year.

The school has opted to participate in Plymouth City Council's coordinated scheme for in-year admissions. Applications should be made via Plymouth City Council. Millbay Academy follows Plymouth City Council's local coordinated in-year admissions scheme available at www.plymouth.gov.uk/schooladmissions

All applicants must:

- a. Complete the Common Application Form available from and returnable to Plymouth City Council;
- b. In addition, applicants applying under oversubscription criteria 3 must complete the staff supplementary information form which is available on page 10 & 11 of this policy and return it direct to the School Admissions Team, Plymouth City Council.

It is intended that parents are notified in writing of the outcome of an in-year application within 10 school days of receipt of the application. In any event, parents must be notified of the outcome in writing within 15 school days of receipt of the application.

Where a place is offered, arrangements will be made for the child to be admitted and start school as

soon as possible, particularly where they are not currently attending school. Where the application is refused, parents will be provided with the reasons why the admission of their child would prejudice the efficient education of others, and/or the efficient use of resources, so that they can properly consider whether to exercise their right to appeal (see below).

SECTION 2

Oversubscription criteria for normal point of entry and in-year admissions

Children with an Education, Health and Care Plan (EHCP) are admitted to the school under separate statutory procedures which are managed by the child's home Local Authority, and not under this policy. A child with an Education, Health and Care Plan (EHCP) which names the school will be admitted. In the normal admission round (i.e. entry to Year 7) children with an EHCP must be admitted prior to the allocation of places to other children and the number of places available to other children within the PAN will be reduced.

At the normal point of entry, where there are fewer applicants than the PAN, all children must be offered a place. For in-year admissions, all children will be offered a place unless the school can demonstrate that the admission of an additional child would prejudice the provision of efficient education or the efficient use of resources.

In the event that the School is oversubscribed, the Admission Authority will apply the following oversubscription criteria in order of priority:

- 1. Looked after children and all previously looked after children.** A 'looked after child' is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order), and children who appear to the Admission Authority to have been in state care outside of England (i.e. in the care of or accommodated by a public authority, religious organisation or any other provider whose sole/main purpose is to benefit society), but ceased to be so as a result of being adopted.

Parents applying for a place in this category may need to provide documentary evidence with their application to confirm the child's status. This may include a signed letter from the child's social worker or former social worker confirming their current or previous status, an adoption, child arrangement or special guardianship order.

In the case of children adopted from state care outside England (as defined above), evidence of having been in state care outside England and of being adopted will be required. Ideally, this should be received by the application deadline in the normal admission round. When assessing the evidence provided, the DfE's guidance ([accessible here](#)) will be followed.

Where the Virtual School Head has already verified the child's status, parents should let the Local Authority / school know, as there should be no need for further evidence to be provided in this case.

- 2. Children with a sibling already attending this school at the time of admission.** Children will be classed as siblings if they live at the same home address as defined in this policy, as a single-family unit. This includes a natural or adopted brother or sister, step-brother or sister, a natural, adopted or foster child of a cohabiting partner, or a foster brother or sister. In all cases the sibling must live with the applicant child as part of the same core family unit. Children who are children of friends or cousins living in the same household with different parents/carers are not included. The sibling's details must be clearly stated in the full application form. Failure to do so may result in this category not being identified and the application being placed in a lower category.
- 3. Children whose parent/carer is a member of staff employed on a permanent contract at this school** for two or more years at the time at which the application for admission to the school is made or where the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage, evidenced by completion of the staff supplementary information form¹. (This all covers staff working at the school to which the application relates but does not

include staff who work on the school site for other employers);

For the avoidance of doubt a 'child' is defined as the staff member's natural or adopted child, whether living with the staff member or another parent, and a foster child placed with the staff member or a child of the staff member's spouse or cohabiting partner, living with the member of staff at the child's home address as defined by this policy. For the avoidance of doubt, children who are children of friends or cousins living in the same household with different parents/carers are not included, even if they live at the staff member's home address.

Only the employed parent's details must be entered onto the form with no details of another parent being given.

4. **Children attending Reach South Primary Academies in Plymouth (applicable for entry to year 7 normal point of entry only).** The Reach South primary academies are: Drake Primary; Goosewell Primary; High Street Primary; Marlborough Primary; Morice Town Primary, Pilgrim Primary; Stoke Damerel Primary; Stuart Road Primary;
5. **Children who live closest to the school** as determined by the Local Authority as admissions coordinator.

NOTES:

Admission out of the normal age group: Places will normally be offered in the year group according to the child's date of birth. A parent has an absolute right to make a request that their child be admitted to a year group other than the child's chronological year group. Parents do not have a right to decide that their child be admitted outside their chronological year group. The request will be considered by Reach South Academy Trust, as Admission Authority, by sending your request to the school, marked for the attention of the Clerk to the Local Governing Body. A decision will be made on the basis of the circumstances of each case and in the best interests of the child concerned. This will include (but is not an exhaustive list) taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The Admission Authority will also take into account the views of the Headteacher. Parents must not assume that the decision of one school will transfer with the child to a different school as the decision rests with the individual Admission Authority. The Local Governing Body will notify parents of the outcome of their request formally in writing, explaining its reasons in sufficient detail for parents to understand that decision. Where a request is agreed in principle, this letter should accompany the application for admission subsequently made for a place at the school. Where a request is refused for admission outside of normal age group parents do not have a statutory right of appeal, but they may submit a complaint under the school's published Complaints Policy if they do not believe that their request was properly considered, or the decision of the Trust was reasonable or fair.

Request for Admission outside normal age group

- 1.1 Parents have a right to request that their child is admitted to a year group other than their normal year group at the School. This may be to a year group below or above, and there may be a variety of reasons for making this request. For example, the child might be gifted, suffer from long-term or serious illness, or have been educated overseas and/or used to studying at a different level (these are examples only, not an exhaustive list).
- 1.2 However, parents do not have a right to decide that their child **will** be admitted outside their normal age group. Such requests must be considered by Reach South Academy Trust as the Admission Authority, in order to decide whether or not to agree the request **in principle**, or refuse the request, taking into account the factors set out below.
- 1.3 Requests for admission outside normal age group are not applications for admission, which must still be made in the usual way. Parents are strongly encouraged to make their requests in a timely manner, preferably well ahead of any application deadlines, so that they can obtain a decision in principle which will enable them to make informed decisions when they subsequently apply for admission. A separate request must be made to the Admission Authority for each school being considered.

- 1.4 Reach South Academy Trust as the Admissions Authority will make decisions on the basis of **the circumstances of each case** and in the **best interests of the child concerned**, taking into account the parents' views, information about the child's academic, social and emotional development, the child's medical history and the views of their medical professionals, whether they have previously been educated or attended nursery out of their normal age group, and whether they may naturally have fallen into a lower age group, if it were not for being born prematurely. They will also take into account the views of the Headteacher of the Academy and, where provided, the Headteacher of any current or previous school. This is not an exhaustive list, and parents may put forward any matters for the committee to consider.
- 1.5 Parents should make their requests by completing a Request for Admission Outside Normal Age Group Form and submitting it with any supporting documents to the school marked for the attention of the Clerk to the Local Governing Body. This form is available to download on the school's website or in hard copy from the school's main office.
- 1.6 In all cases, the Local Governing Body will notify parents of the outcome of their request formally in writing, explaining its reasons in sufficient detail for parents to understand why it came to that decision. Where the request is agreed in principle, this letter should accompany the application for admission subsequently made for a place at the school.
- 1.7 Parents do not have a statutory right of appeal against a refusal of a request for admission outside normal age group, but they may submit a complaint under the school's published Complaints Policy if they do not believe the request was dealt with properly.

Requests should be made in writing with any supporting documentation marked for the attention of the Clerk to the LGB.

Appeals: In the event that an applicant is refused a place at the school, the parent/carer will have the right of appeal to an independent appeal panel. Information relating to the appeal process will be included with the refusal letter, together with the details of the parent's right to appeal, where the appeal should be sent and the deadline for an appeal to be lodged with the written grounds of appeal. Further information can also be obtained from the school's website.

Fraudulent applications/withdrawal of allocated places: The School Admissions Code allows an offer of a school place to be withdrawn if:

- it has been offered in error or
- a parent has not responded within a reasonable period of time or
- it is established that the offer was obtained through a fraudulent or intentionally misleading application. An example of this would be knowingly using an incorrect home address for a child. In these cases, the application would be considered using the information that the Local Authority believes to be correct, for example using the home address where the Local Authority considers that the child actually lives.

All suspected fraudulent applications will be investigated and if a case is found, it could lead to criminal prosecution.

Home address: Any allegations received by the admission authority of people providing false or accommodation addresses when applying for school places shall be fully investigated and, if found to be true, it could lead to a criminal prosecution and withdrawal of an allocated place. Schools have been advised by Plymouth City Council to ask parents/carers to provide proof of residence (for example utility bills) before admitting a child. Plymouth local authority (LA) will also carry out checks as appropriate. A child's home address is defined as the address at which the child is normally resident or, where a child lives at more than one address, the address at which the child lives for the majority of the time. Where the home address is unclear, the Admission Authority will determine the appropriate address taking into account factors such as the address to which child is registered with their GP, hospital, dentist and / or optician, and / or where child related benefits (if eligible) are payable. For the avoidance of doubt, the application will be processed using the address that meets this definition, rather than the address stated by the parent in the application, if different.

Children of UK Armed Forces Personnel / crown servants: Applications for the admission of children of UK service personnel with a confirmed posting, or Crown servants returning from overseas, will be accepted and processed in advance of the family's arrival in the area, as long as the application is accompanied by an official letter giving a relocation date.

The address at which the child will live will be used to apply the oversubscription criteria, provided

parents provide some evidence of the intended address. Alternatively, where this is requested by parents, a Unit or quartering address will be used for the purpose of applying the criteria in this policy.

Attendance: For normal point of entry: the expected point of admission will be September 2026.

For in-year admissions: where a child is offered a school place following an in-year application, and the offer is accepted, arrangements will be made for the child to start school as soon as possible, particularly where the child is out of school

Multiple births: Defined as the birth of more than one baby from a single pregnancy. In Year 7, where at least one child achieves an offer of a place at the School within the PAN in the normal way, but their twin, triplet(s) or sibling(s) of a higher multiple birth do not achieve an offer of a place, the school will admit their twin, triplet(s) or sibling(s) of a higher multiple birth to avoid them having to attend different schools even where this means exceeding the PAN. These additional children will be 'excepted pupils' as set out below.

In Years 8 to 11, where at least one child can be accommodated without prejudicing the efficient education of others or use of resources, and without breaching the statutory maximum infant class size, their twins, triplet(s) and sibling(s) of a higher multiple birth will also be offered a place to avoid them having to attend different schools.

Response: Parents/carers must respond to an allocation of a school place within:

- two weeks of the date of notification of availability of a school place for In-Year admissions;
- one week of the date of notification of a school place for Normal Point of Entry;

Responses must be made to Plymouth City Council. In the absence of a response, the offer may be revoked, and the place may be reallocated to someone else. Parent/carers declining the offer of a place should notify the educational arrangements they plan to provide for their child.

Tie Breaker: Where there are two or more children in the same category as each other, then the nearer to the school the child lives - as measured by a straight line on the map using Plymouth Council's electronic mapping system - the higher the priority. Measurement points will be from the spatial locator identified by the National Land and Property Gazetteer. The spatial locator is the address point based on a general internal point. Flats are therefore taken to be the same measurement point regardless of floor of location. If distance is not sufficient to distinguish between applicants in a particular category, there will be a random ballot as set out in the School Admissions Code. This will be undertaken by an officer of Plymouth Council¹ by the operation of an electronic random number generator.

Waiting lists: Waiting lists will be held in the order of the published oversubscription criteria and will be maintained until the end of August 2026 in respect of Year 7. Any vacancies that arise will be allocated to the child at the top of the waiting list.

From 1 September 2026, the in-year admissions scheme applies, the child will be automatically added to the waiting list. Children placed at the school under the Local Authority's Fair Access Protocol will take priority over children on the waiting list.

STAFF SUPPLEMENTARY INFORMATION FORM 2026/2027

Please note this is a supplementary information form for administration purposes only and is not an application form. It will be used to rank a submitted application according to the published admission criteria.

Only complete this form if you are:

- a) **A member of staff employed on a permanent contract by the school (and working at the school applied for) for two or more years at the time at which the application for admission to the school is made;**
- or**
- b) **A member of staff recruited to fill a vacant post for which there is a demonstrable skill shortage.**

If you are applying under a) or b) above, you need to take this form to the school for the school to complete part B. You then need to return the completed form by 31 October 2025 to be included in the normal point of entry allocations made on 2 March 2026. Forms received after these dates will still be considered but will not be included within the first allocation round.

For an in-year admission to any year group, the form should be submitted with the application form.

Return the form to: school.admissions@plymouth.gov.uk
